OUTREACH & EDUCATION

Outreach and education is a great opportunity to provide information and knowledge to the general public about the desert tortoise. A volunteer position in outreach and education is very rewarding and would ideally suit someone who is outgoing and willing to speak to a variety of people.

Volunteer skills for Outreach and Education

- Enthusiastic about educating the public about the desert tortoise
- Willing to answer questions people may have
- Promote adoptions, volunteer opportunities, and desert tortoise information
- Represent Tortoise Group in an appropriate, friendly manner
- Good communication skills
- Help set up and break down booths at events
- Able to stand for extended periods of time

What to wear: Comfortable shoes, appropriate casual attire, TG Logo shirt

What to bring: Water or a drink, a snack if allowed (or lunch if all-day event), sunscreen and a hat (if event is outside)
